

# María Julieta Molina

## Contact Information:

- **Phone:** 011-7003-0743
  - **Email:** mariajulietamolina91@gmail.com
  - **Location:** Argentina
  - **Date of Birth:** September 18th, 1991
  - **Marital Status:** Single
  - **DNI:** 36152918
- 

## Professional Profile:

Web developer with experience in UX design and Agile methodologies (SCRUM). Skilled in both frontend and backend development, using technologies such as **HTML, CSS, JavaScript, MySQL**, and frameworks like **React, Bootstrap, and Tailwind CSS**. Proficient with design tools such as **Figma, Photoshop, CorelDRAW**, and **Premiere**. Currently pursuing a **Higher Technical Degree in Software Development** at **IFTS N°18**. My professional goal is to reach the **Senior Fullstack Developer** level and participate in challenging projects that integrate frontend and backend development.

---

## Career Objective:

I am looking to consolidate myself as a **Fullstack Developer** and continue perfecting my skills in both frontend and backend, while contributing to the development of innovative and challenging projects. I am interested in roles that allow me to work in dynamic teams and continue improving my English for better international performance.
